EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward P Dutkiewicz on October 21st, 2005.

The application has been amended as follows:

On page 3 of claim 5, delete the word "proprietary" so that the amended claim clause reads,

"providing a handheld touch screen personal computer for a golfer" (Claim lines 26-27).

On page 3 of claim 5 delete the phrase "and beneficial" so that the amended claim clause reads,

"providing software to perform programmed operations based upon the input and output of a personal computer to assist the golfer by providing automated distance calculations, equipment indication, club selection, course management, scoring statistics, and cataloguing courses in synchronous fashion for improved golfing performance;" (Claim lines 34-40).

On page 3 of claim 5 replace the phrase "a golfer entering a "yes" or "no" response as to whether there is another region to be collected; and if the response is "no" ending, if the response is "Yes" returning to the activating step" (Claim Lines 56-62) with

"and collecting a response from a golfer as to whether there is another region needed to be collected, if "Yes" return to the activating step, if "No" end. "

The following is an examiner's statement of reasons for allowance: the reasons for allowance presented in the office actions dated March 31st, 2004 and January 25th, 2005 are hereby incorporated through reference. The amendments presented above reflect alterations to the claim language purely to overcome come remaining USC 112 and USC 101 issues present in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
